CATEGORIES			
Place an X to the right of the appropriate age category — END of TRAIL offers all categories but categories with less than the minimum competitors on November 1 will be eliminated. All category minimums (5 for the Ladies categories and 10 for all others) will be enforced until the first round goes down range. If the category goes below the minimum, you will be moved to another age category, when available. If that is not available, you will be allowed to change categories or receive a refund.
