END of TRAIL offers all categories but categories with less than the minimum competitors on November 1 will be eliminated. All category minimums (5 for Ladies Categories and 10 for all others for Cowboy; 3 for Ladies Categories and 7 for all others for Wild Bunch) will be determined on November 1 and categories will be collapsed until those minimums are met. The base categories are protected and that is the lowest of collapsing. No further collapsing will take place, but no new categories will be added after the collapsing takes place. You will be notified ASAP of the category collapsing and will be allowed to change to an offered category or receive a full refund. No category changes will be allowed after December 15th without medical documentation of necessity.
